**Reference** 6160

Mantra Mini Ceiling 60cm Square 8xE27 White

## DESCRIPTION

Mini offers a range of products of minimalist style that offer an impressive lighting effect. These functional and aesthetic ceiling wall lights are available in circular and diamond shapes engineered from aluminium and acrylic diffusers. This offers versatility in design whilst maintaining a similar lighting effect. Each item has an IP44 rating making them practical for use in bathrooms and outdoors. Both shapes are available in either a matt white or silver finish. The simplicity of this range means Mini can be used for an extensive amount of applications and provide endless lighting solutions.
