EKATERINA 6LT - SCHONBEK EK6506

Empress Catherine the Great was one of the great arts patrons of the 18th C., modernizing her empire and collecting a vast collection at her Winter Palace, now known as LâHermitage. She championed the neoclassical style and the values of the Enlightenment. Ekaterina is our tribute to the legendary leader and to her taste for refinement and pageantry. The delicate chandelier is ornamented with a garland of ornate flowers and fine crystal drops blooming from twisted scrolls.
