

NOTHING

design Francisco Gomez Paz

**LUCE
PLAN**

Type: Floor

Light source: LED 35W^(*) 2700K

EEL: A

Product use: Indoor

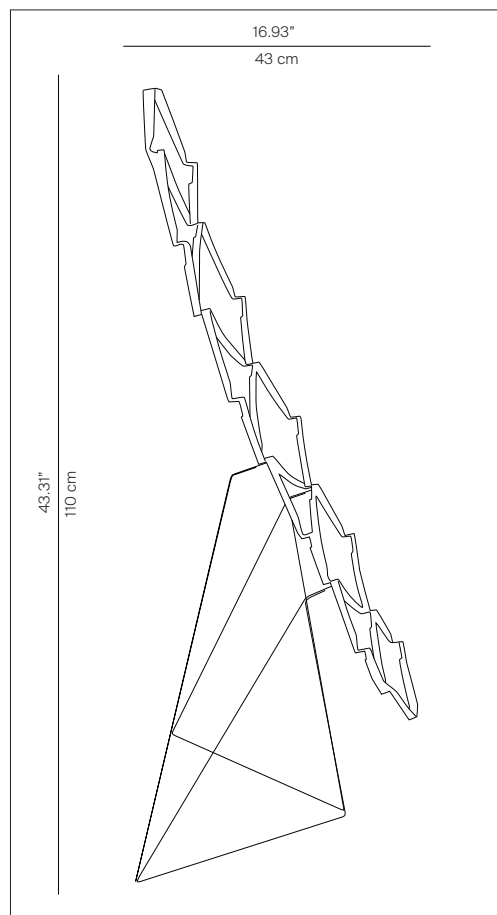

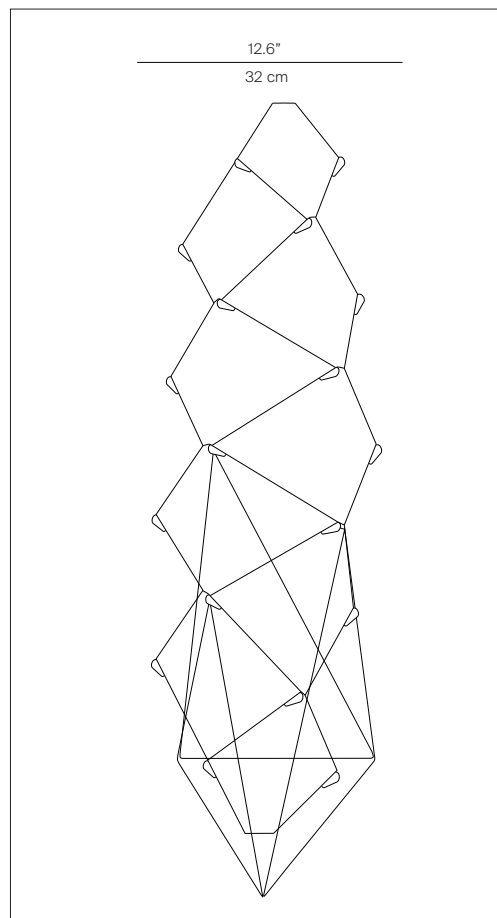

Materials: Aluminium body with flexible printed circuit board and base with steel rods

Colors: Black

Description: The formal expression of an innovative use of LEDs. Nothing is a sheet of aluminium bonded with electronic circuits and LEDs: a very thin, flat, laser-cut surface, designed using a complex mathematical process.

Insulation class:   

Reference code: 1D750T000001 black

^(*) The LED lamps cannot be changed in the luminaire
Power consumption by device
