

# Nui mini

Design Meneghello Paoletti Associati

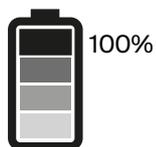

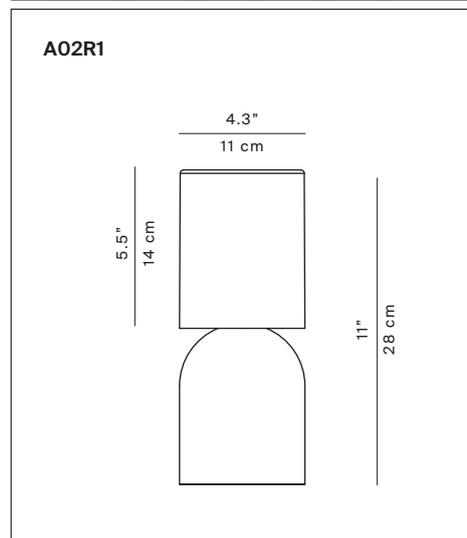

- Type: Portable rechargeable
- Lamps: LED 4W 2700K CRI 90 - rechargeable  
dimmer on board 192 lm
- Product use: Outdoor/indoor
- Materials: Structure: painted steel and glass  
Screen: polycarbonate
- Colors: White, sand, greige
- Description: Part of the Nui family, Nui mini translates its inspiration and design into a rechargeable table version. Offered in three colors for the top (white, sand and greige), it has a base in transparent crystal that contributes to create a sophisticated game of reflections.

Insulation class: **IP54 IK03**

Reference code: A02R1 1A020=R10002 white  
1A020=R10004 sand  
1A020=R10039 greige
